## About the author

**Vibian Mora Angwenyi** was born in Nairobi, Kenya. She obtained her graduate degree in Sociology, with first class honors, at the Moi University (Eldoret, Kenya). In 2010, she was awarded the Commonwealth Scholarship to pursue her Masters in Public Health (Health services research) degree from the London School of Hygiene and Tropical Medicine in the United Kingdom. In 2015, she was awarded the Erasmus Mundus Joint Doctorate Fellowship and commenced her doctoral studies at the Athena Institute, Vrije Universiteit Amsterdam; the Department of Public Health, Institute of Tropical Medicine Antwerp; and Barcelona Institute for Global Health (ISGlobal).

Vibian's research career began in 2007 through a research internship position at the KEMRI/Wellcome Trust Research Programme in Kilifi, working on a social science study around the RTS,s malaria vaccine trial. Her areas of interest and expertise are in qualitative research, survey methodology, research ethics, community/public engagement in research, health systems, and chronic care. She is currently a Post-Doctoral Research Fellow at the Institute for Human Development, Aga Khan University supporting with the implementation of the Child Development in Marginalised Communities project in Nairobi's urban informal settlements.
