The background of the entire page is a dark, almost black, color. It is covered with a dense, repeating pattern of wavy, horizontal lines. Most of these lines are white, but there are several distinct sections where the lines are colored in a light orange or gold hue. These orange sections are located in the lower-left and lower-right areas of the page, and also form a vertical band in the center-right. The overall effect is a textured, rhythmic pattern that suggests movement or sound waves.
