Table of contents

Chapter 1	General introduction	9
Chapter 2	Regulation of CaMKII autophosphorylation by recruitment and muscle type	21
Chapter 3	Ca ²⁺ /calmodulin-dependent protein kinase II affects contractile, but not fatigue-related phenotype in rat skeletal muscle	47
Chapter 4	Effect of CaMKII overexpression on skeletal alpha-actin transcription in rat skeletal muscle	73
Chapter 5	Computational modelling of CaMKII activity and its effects on calcium dynamics in sarcomeres	83
Chapter 6	Summary and general discussion	111
References		127
Conference presentations		143
Samenvatting	De regulatie van skeletspieradaptaties: CaMKII als sensor van calcium signalen	145
Dankwoord		149
