# Contents

<b>1. General introduction and outline of the thesis</b>	7
<b>2. Effectiveness, costs and benefits of the MRSA 'Search and Destroy' policy</b>	
2.1 Meticillin-resistant <i>Staphylococcus aureus</i> epidemiology and transmission in a Dutch hospital	15
2.2 Costs and benefits of the MRSA Search and Destroy policy in a Dutch hospital	27
<b>3. Current problems and challenges in MRSA epidemiology and control</b>	
3.1 Increase in a Dutch hospital of meticillin-resistant <i>Staphylococcus aureus</i> related to animal farming	43
3.2 Adjustment of the MRSA Search and Destroy policy for outpatients in the Netherlands	51
3.3 Cluster of MRSA in the community; detection and control	61
3.4 Lifestyle-associated risk factors for community-acquired meticillin-resistant <i>Staphylococcus aureus</i> carriage in the Netherlands: an exploratory hospital-based case-control study	69
3.5 Livestock-Associated MRSA in patients without direct contact with livestock	83
3.6 Community-associated meticillin-resistant <i>Staphylococcus aureus</i> transmission in households of infected cases: a pooled analysis of primary data from three studies across international settings	97
3.7 Self-sampling is appropriate for detection of <i>Staphylococcus aureus</i>	115
<b>4. Current problems and challenges in Staphylococcus aureus (both MSSA and MRSA) epidemiology and control</b>	
4.1 Mupirocin ointment for preventing <i>Staphylococcus aureus</i> infections in nasal carriers	125
4.2 Comparison of two PCR-based methods and conventional culture for the detection of nasal carriage of <i>Staphylococcus aureus</i> in pre-operative patients	157
4.3 New approaches to prevention of staphylococcal infection in surgery	167
4.4 Reduced costs for <i>Staphylococcus aureus</i> carriers treated prophylactically with mupirocin and chlorhexidine in cardiothoracic and orthopaedic surgery	179

4.5	Decreased one-year mortality after rapid screening and decolonisation of <i>Staphylococcus aureus</i> carriers undergoing clean surgical procedures	193
-----	---	-----

<b>5.</b>	<b>General Discussion</b>	205
