TABLE OF CONTENTS

List of Abbreviations 6

CHAPTER 1 11
General Introduction

CHAPTER 2 31
The ubiquitin ligase TRIM3 affects hippocampal synaptic plasticity and learning in mice

CHAPTER 3 59
TRIM3 participates in mRNP granules, but is not essential for mRNP granule trafficking

CHAPTER 4 73
Identification of TRIM3 ubiquitylation substrates

CHAPTER 5 103
TRIM3 ubiquitylates gamma-actin in an activity dependent manner

CHAPTER 6 127
General discussion

References 140

Summary 155

Acknowledgements 159
