# Interrupting the church's flow

Engaging Graham Ward and Romand Coles

in a radically receptive political theology in the urban margins

## Abstract

(Dutch)

In de context van de missionaire zoektocht van de Church of England naar een nieuw verstaan van haar publieke presentie, ontwikkelt dit proefschrift een kerkelijke politieke theologie in dialoog met het werk van de theoloog Graham Ward en de politieke theoreticus en activist Romand Coles. Het wil een belichaming zijn van radicale openheid naar de gaven en uitdagingen die aanwezig zijn bij niet-Christelijke burenen in het bijzonder in de context van stedelijke marginaliteit.
