

TABLE OF CONTENTS

READING COMMITTEE	i
SUMMARY	i
SAMENVATTING	ii
ACKNOWLEDGEMENT	iii
LIST OF TABLES	vii
LIST OF FIGURES	viii
CHAPTER ONE	1
NON-COMPLIANCE WITH CUSTOMS LAWS IN SUB-SAHARAN AFRICA	1
1.1. Introduction	1
1.2. Setting	2
1.3. Non-compliance with customs regulations: construct and measurement	4
1.4. Structure of the dissertation	7
1.5. Relevance and contribution	10
CHAPTER TWO	13
TARIFF EVASION IN SUB-SAHARAN AFRICA: TRENDS AND COMPARISONS	13
2.1. Introduction	14
2.2. Setting and Research Questions	15
2.2.1. Challenges	16
2.2.2. Initiatives	18
2.2.3. Research questions	19
2.3. Data and Empirical Strategy	20
2.3.1. Data	21
2.3.2. Variable Measurement	21
2.3.3. Empirical Strategy	22
2.4. Results	25
2.4.1. Main findings	25
2.4.2. Exploratory additional analysis	30
2.5. Discussion and conclusion	33

CHAPTER THREE	35
TARIFF EVASION IN SUB-SAHARAN AFRICA: THE INFLUENCE OF CORRUPTION IN IMPORTING AND EXPORTING COUNTRIES	35
3.1. Introduction	36
3.2. Setting: SSA, trade, and corruption	38
3.2.1. Sub-Saharan Africa	38
3.2.2. Trade	39
3.2.3. Trade and corruption in SSA	41
3.3. Theory and hypotheses development	42
3.3.1. Tariff rates and tariff evasion	42
3.3.2. Tariff evasion and corruption	44
3.3.3. Hypothesis development	45
3.4. Method	47
3.4.1. Data and sample	47
3.4.2. Variable measurement	49
3.4.3. Model specification	51
3.5. Results	52
3.5.1. Main analysis	52
3.5.2. Robustness checks	56
3.6. Discussion and conclusion	59
CHAPTER FOUR	63
THE EFFECT OF AID FOR TRADE FACILITATION ON SMUGGLING IN SUB-SAHARAN AFRICA	63
4.1. Introduction	64
4.2. Smuggling and trade facilitation in SSA	68
4.2.1. Smuggling in SSA	68
4.2.2. Trade facilitation in SSA	71
4.3. Theory and hypothesis development	73
4.3.1. Effects of aid for trade facilitation	73
4.3.2. Customs procedures and smuggling	75
4.3.3. Hypothesis	76
4.4. Methodology	77
4.4.1. Data Source	77

4.4.2. Variable measurement	78
4.4.3. Model specification	88
4.5. Results	89
4.5.1. Main Result	89
4.5.2. Robustness checks	92
4.6. Discussion and conclusion	99
CHAPTER FIVE	103
CONCLUSIONS	103
5.1. Non-compliance with customs laws in Sub-Saharan Africa (SSA)	103
5.2. What may explain non-compliance with customs laws in SSA?	104
5.2.1. Corruption of trading partners	104
5.2.2. Burdensome procedures and aid for trade facilitation	104
5.3. General implications	105
5.4. Limitations and directions for future research	107
REFERENCES	111

LIST OF TABLES

Table 2.1: Summary statistics: Mean and standard deviation value of tariff rate and trade gap ...	22
Table 2.2: Model 1: Association between tariff rate and value trade gap for each group of countries.....	26
Table 2.3: Model 2: Association between tariff rate and value trade gap.....	27
Table 2.4: Association between tariff rate and value trade gap on imports from OECD and BRIC countries simultaneously	31
Table 3.1: Countries included in the analysis and mean corruption scores (2008-2014).	48
Table 3.2: Descriptive statistics	51
Table 3.3: Interaction effects of tariff rate (HS6), importer’s corruption, and exporter’s corruption on value and quantity gaps.....	53
Table 3.4: Effects of tariff rate (HS6) and high levels of corruption in both countries on value and quantity gaps	55
Table 3.5: Robustness checks	57
Table 3A.1: Effects of corruption levels on the tariff-gap association when studied in isolation. 62	
Table 4.1: Summary statistics	86
Table 4.2: Pearson correlation of some variables	87
Table 4.3: Regression results of the baseline model with ECP as mediator variable and Trade facilitation as independent variable	90
Table 4.4: Robustness check: Winsorizing and dropping outlier observations of trade gap	93
Table 4.5: Robustness Check: Using “Trade policy and regulation” disbursement rather than “Trade facilitation” disbursement as Independent variable.	95
Table 4.6: Robustness Check: Time to import as mediator variable.....	97
Table 4.7: Robustness check: Using all observations for each of the trade gap measures	98

LIST OF FIGURES

Figure 2.1: Marginal effects of the tariff rate on the trade value gap (main analysis and robustness tests)	29
Figure 2.2: Marginal effects of the tariff rate on the trade value gap based on imports from OECD and BRIC countries.	32
Figure 4.1: Mediation Model	77
