The background features a light yellow grid pattern. Overlaid on this are several stylized, dark green illustrations of soil fauna and plant litter. In the top left, a large, segmented earthworm is shown in profile, facing right. In the top right, a smaller earthworm is depicted. In the center, a long, segmented earthworm is shown in profile, facing right. In the bottom left, a large, rounded earthworm is shown in profile, facing left. In the bottom right, a large, rounded earthworm is shown in profile, facing left. The illustrations are rendered in a simple, blocky style with a dark green color. The text is positioned in the upper right quadrant of the page.
