About the author

Lars Noorbergen was born in Brederwiede, the Netherlands on 9 June 1988. He started studying Earth Sciences at the Utrecht University in 2008. There he obtained a Bachelor degree in Earth Sciences in 2011 and a Master degree in Earth Sciences (specialisation Earth, Life and Climate) in 2013. After working as a geologist at TNO, he started with his PhD project at the Department of Earth Sciences at the VU University in Amsterdam, on 1 March 2014. During these years, he combined his research project with teaching at the same department. He works as a soil consultant for Arcadis Netherlands (Amersfoort) since March 2019.

Lars Noorbergen werd geboren op 9 juni 1988 in Brederwiede, Nederland. In 2011 behaalde hij zijn bachelor diploma Aardwetenschappen aan de Universiteit van Utrecht. In 2013 behaalde hij aan dezelfde universiteit zijn master diploma Aardwetenschappen, met een specialisatie in Aarde, Leven en Klimaat. Na als geoloog bij TNO te hebben gewerkt, startte hij op 1 maart 2014 met zijn baan als promovendus binnen het departement Aardwetenschappen van de Vrije Universiteit van Amsterdam. In deze functie combineerde hij onderzoek met onderwijs taken. Sinds maart 2019 werkt hij als specialist bodem voor Arcadis Nederland in Amersfoort.
